SPRING 2017 SCHOLARSHIP PROGRAM

**Application submission period is open
October 3 - November 18, 2016**

Application submission period for Spring 2017 Scholarship opens on October 3 through November 18th. Virginia International University (VIU) offers a unique opportunity to acquire an excellent, multi-disciplinary education at an affordable cost by offering students access to scholarships. VIU has been attracting individuals who take their VIU experiences into their own cultures, share their knowledge with future generations, and launch successful careers.

Thus, there are several different types of scholarships available based on exemplary personal skills, academic accomplishment, extracurricular participation, on-campus work, and residency. VIU currently offers several types of scholarships to assist prospective and current students wherever they are. Four types of scholarships are offered to prospective students at Virginia International University. To learn more, please click [here](#).
