Souper Bowl of Kindness

February 2, 2018

The Friday before Super Bowl 52, join us as we fill our bowls and also fill the needs of university students. This soup dinner will benefit the VIU New Horizon Scholarship Fund which supports students who are living in areas of the world where there have been recent natural disasters or civil unrest. A portion of the proceeds will be given to The College and University Food Bank Alliance, who seeks to end hunger in college and university students. Don your favorite sports team apparel for door prize entry!
