**COMING SOON! GLOBAL BISTRO**

Global Bistro, founded in 2017, is an addition to the growing expansion of Virginia International University. Global Bistro brings together a casual dining experience with the vision to implement the goodness of health and culture through delicious, farm to table creative meals. We've partnered with local farmers' markets to ensure our commitment to providing customers with the freshest ingredients at sensible prices. Along with our relationships with local farmers' markets, Global Bistro
